

TRDRP Funding for Priority Populations From 1992 to 2011

African American Population						
Project name	Investigator	University	Subject Area	Grant Number	Award Type	Year
Menthol Cigarette Smokers: nAChR Levels and Treatment Effects	Arthur Brody , M.D.	Brentwood Biomedical Research Institute	Nicotine Dependence	19XT-0135	Exploratory/Developmental Award	2010
Developing A Menthol-Centric Smoking Cessation Intervention	Bruce Allen	Charles R. Drew University of Medicine and Science	Tobacco Use-Prevention and Cessation	18XT-0190H	Exploratory/Developmental Award	2009
California's Tobacco Control Program and Tobacco-Use Trends	Karen Messer	UCSD	Public Health, Public Policy, and Economics	18CA-0134	California Research award	2009
African Americans: NRT or Alternative Medicine for Cessation	Valerie Yerger	UCSF	Tobacco-Use Prevention and Cessation	15KT-0038H	New Investigator award	2006
Prevalence and Correlates of African American Tobacco Use	Hope Landrine; Scott Roesch/Denise Adams-Simms	SDSU/California Black Health Network	Epidemiology	15AT-1300H/ 15AT-1301	Full CARA	2006
Sociocultural Determinants of Menthol Smoking Among Blacks	Bruce Allen	Charles R. Drew University of Medicine & Science	Epidemiology	15RT-0044H	Research Projects award	2006
African American church role in tobacco norm change	Ayanna Kiburi	Health Education Council	Tobacco-Use Prevention and Cessation	14IT-0188	IDEAS	2005
Disproportionate cost of smoking for communities of color	Wendy Max	UCSF	Public Health, Public Policy, and Economics	13RT-0030	Research projects award	2004
Protecting the "hood" against tobacco: cessation project	Ruth Malone; Carol	UCSF	Tobacco-Use Prevention and Cessation	12AT-1701	FULL CARA	2003

	McGruder					
Isothiocyanates among African Americans and Caucasians	Catherine Carpenter	UC Irvine	Epidemiology	11IT-0082	IDEAS	2002
Bayview-Hunters Point partnership toward smoking cessation	Ruth Malone; Carol McGruder	UCSF	Tobacco-Use Prevention and Cessation	11BT-1701	Full CARA	2002
Tobacco Industry targeting of African Americans	Ruth Malone	UCSF	Public Health, Public Policy and Economics	9RT-0095	Research Projects Awards	2000
The role of media in smoking initiation & cessation	David Burns	UCSD	Public Health, Public Policy and Economics	9RT-0048	Research Projects Awards	2000
Explaining racial differences in smoking	Hope Landrine	Public Health Foundation, Enterprise, Inc.	Public Health, Public Policy, and Economics	8RT-0013	Research Projects Awards	1999
African Americans and Mentholated Cigarettes	Bruce Allen	Charles R. Drew University of Medicine & Science	Nicotine Dependence	8RT-0091H	Research Projects Awards	1999
Predictors of Smoking in African American Adolescents	Mark Alexander	UCSF	Epidemiology	6PT-6002H	Integrated Research Project	1997
Study of Inadequate Follow-up of Mammographic Abnormalities	Marion Lee	Bay View-Hunter's Point Health Care Task Force	Innovative models of care	4AB-2502	CRC Pilot Award	1995
Xenoestrogens and Breast Cancer in African American Women	Peggy Reynolds	Public Health Institute	Etiology	2RB-0054	Research Projects Awards	1993
A Genetic Marker of Lung Cancer Risk Among Blacks & Whites	Stephanie London	USC	Epidemiology	1RT-0140	Research Project Awards	1992
Black-White Differences in Menthol Cigarette Smoking	Murray Jarvik	UCLA	Public Health, Public Policy, and Economics	1RT-0087	Research Project Awards	1992

Asian American, Native Hawaiian and Pacific Islander Population

Project name	Investigator	University	Subject Area	Grant Number	Award Type	Year
A Family Intervention to Reduce Smoking in Vietnamese Men	Janice Tsoh	UCSF	Tobacco-Use Prevention and Cessation	19XT-0083H	Exploratory/Developmental Award	2010
The Chinese Community Internet Stop Smoking Project	Janice Tsoh/Angela Sun	UCSF/Chinese Community Health Resource Center	Tobacco-Use Prevention and Cessation	19BT-0039/19BT-0044H	Pilot CARA	2010
Cessation and Environmental Smoking among Korean Americans	Jimi Huh	USC	Tobacco-Use Prevention and Cessation	19FT-0089	Postdoctoral Fellowship Awards	2010
Enhancing Validity of a South Asian Tobacco Survey Module	Arnab Mukherjea	UCSF	Tobacco-Use Prevention and Cessation	19FT-0175	Postdoctoral Fellowship Awards	2010
Determinants of Tobacco Use Among Young Adult South Asians	Zul Surani	Special Service for Groups	Tobacco-Use Prevention and Cessation	19BT-0043	Pilot CARA	2010
Asian Americans and Pacific Islanders Working Group	Arnab Mukherjea	UCSF	Tobacco-Use Prevention and Cessation	19ST-0182	Special Projects	2010
Youth-led Tobacco Prevention among CA Southeast Asians	Juliet Lee	Pacific Institute for Research and Evaluation	Tobacco-Use Prevention and Cessation	18BT-0044	Pilot CARA	2009
Determinants of Smoking Prevalence among Cambodian Americans	Robert Friis / Kimthai Kuoch	California State University, Long Beach Foundation	Tobacco-Use Prevention and Cessation	16AT-1300H	Full CARA	2007
Environmental influences on tobacco use among AAPI communities/Exploration of tobacco use in Asian Pacific Islander Youth	Sora Park Tanjasiri/Rod Lew	CSU Fullerton Auxiliary Services Corporation/AAAPCHO/APPEAL	Tobacco-Use Prevention and Cessation	13AT-3001/13AT-3000/13AT-3000A/11BT-1600	Full CARA/Pilot CARA	2004/2002
Smoking prevention for Asian-American college students	Mark Myers	Veterans Research Foundation	Tobacco-Use Prevention and Cessation	12RT-0004	Research Project Awards	2003

Cambodian Research Initiative	Robert Friis/ Him Chhim	California State University, Long Beach Foundation	Tobacco-Use Prevention and Cessation	12BT-2201	Pilot CARA	2003
Hmong smoking prevalence & tobacco uses	Vickie Krenz	California State University, Fresno	Tobacco-Use Prevention and Cessation	10AT-1101	Full CARA	2001
Smoking in Asian youth: effect of self-image and family	Jie Wu Weiss	California School of Professional Psychology	Epidemiology	9DT-0090	Dissertation awards	2000
Life histories: Chinese-American elders' smoking encounters	Matthew Kohrman	Stanford University	Epidemiology	9IT-0066	IDEAS	2000
Tobacco use & acculturation: CA residents of Korean descent	Richard Hofstetter	SDSU Research Foundation	Epidemiology	9RT-0073	Research Projects	2000
Smoking & depression in Chinese vs. non-Chinese	Janice Tsoh	UCSF	Tobacco Use Prevention and Cessation	8KT-0012	New Investigator Awards	1999
Lowering Smoking & ETS Risks in Immigrant Pacific Rim Youth	C. Anderson Johnson	USC	Tobacco-Use Prevention and Cessation	7PT-7002	Integrated Research Project	1998
Acculturation & cigarette smoking among Asian-Americans	Xinguang Chen	USC	Epidemiology	6KT-0191	New Investigator Awards	1997
Smoking imitation among Chinese and Vietnamese adolescents	Celia Kaplan	UCSF	Tobacco Use Prevention and Cessation	6RT-0367	Research Project Awards	1997
Smoking Cessation in Vietnamese: A Controlled Trial	Steve McPhee	UCSF	Tobacco-Use Prevention and Cessation	4RT-0354/1R T-0048	Research Project Awards	1995/ 1992
Assessing Organizational Influence on Chinese Smoking	Virginia Li	UCLA	Tobacco-Use Prevention and Cessation	2IT-0070	Inno Dev & Exp Awards (IDEA)	1993
Hispanic/ Latino Population						
Project name	Investigator	University	Subject Area	Grant Number	Award Type	Year

Low Frequency Smoking Among Latinos	Shu-Hong Zhu	UCSD	Tobacco-Use Prevention and Cessation	18XT-0163	Exploratory/Developmental Award	2009
Cigarette Smoking and Stress-Coping among Latino Youth	Rachel Grana	USC	Tobacco Use-Prevention and Cessation	17DT-0190	Dissertation award	2008
Tobacco, acculturation and gastric cancer among Hispanics	Lesley Butler	UC Davis	Epidemiology	14KT-0118H	New Investigator award	2005
Internet health research center: smoking, Latinos, & the Web	Ricardo Munoz	UCSF	Tobacco Use-Prevention and Cessation	13RT-0050H	Research projects award	2004
Latino and Asian American college students' smoking	Michiko Otsuki	UC Riverside	Epidemiology	12DT-0157	Research Awards	2003
Second Hand Smoke: Latino asthmatic children	Nada Kaseem	SDSU Research Foundation	Epidemiology	12FT-0260	Post doctoral fellowship awards	2003
Tobacco use & policies: San Diego Mexican American residents	Melbourne Hovell	SDSU research Foundation	Public Health, Public Policy, and Economics	11RT-0148H	Research Projects award	2002
Improving Measurement of HIV-Risk Among Latino Adolescents	Regina Otero-Sabogal	UCSF	Social: Behavioral epidemiology	M00-SF-056	Collaborative multi disciplinary	2000
Latinas and DCIS: Treatment Decisions and Quality of Life	Celia Kaplan	UCSF	Socio-cultural, Behavioral and Psychological	9PB-0157	Request for Applications	2000
Por La Vida taking action for tobacco free communities	Ana Navarro, Ph.D. Beatriz Barraza-Roppe	UCSD	Tobacco-Use Prevention and Cessation	9AT-1501/8 BT-1901	Full CARA/Pilot CARA	2000/1999
Family factors in smoking acquisition among Latino youth	Rafael Laniado-Laborin	SDSU Research Foundation	Tobacco-Use Prevention and Cessation	7RT-0049	Research Projects Awards	1998
Spanish/English web site	Ricardo	UCSF	Tobacco-Use	7RT-	Research Projects	1998

for smoking cessation trials	Munoz		Prevention and Cessation	0057	Awards	
Predictors of Cigarette Smoking in Latino Adolescents/Smoking predictors in Mexican American Youth	Gerardo Marin	USF	Epidemiology/Tobacco-Use Prevention and Cessation	6PT-6001/6RT-0407	Integrated Research Project/Research Project Awards	1997
Reducing Environmental Tobacco Smoke in Latino Children	Terry Conway	SDSU Research Foundation	Tobacco Use Prevention and Cessation	6PT-2002H	Integrated Research Project	1997
Tobacco Control in Latino Communities	John Elder	SDSU Research Foundation	Tobacco-Use Prevention and Cessation	6PT-2000	Integrated Research Project	1997
Spanish tobacco-related disease self-management: evaluation	Kate Lorig	Stanford	Tobacco-Use Prevention and Cessation	6RT-0107	Research Project Awards	1997
Smoking Cessation in Latinos Using Community Health Advisors	Gregory Talavera	SDSU Research Foundation	Tobacco-Use Prevention and Cessation	6PT-2001H	Integrated Research Project	1997
Tobacco Use Among Hispanics in California	Ana Navarro	UCSD	Public Health, Public Policy, and Economics	3KT-0031	New Investigator award	1994
Factors Affecting Smoking Initiation in Young Latina Women	Celia Kaplan	UCLA	Public Health, Public Policy, and Economics	2KT-0004	New Investigator award	1993
Smoking Prev. for Hispanic Pregnant & Non-pregnant Adolescents	Regina Otero-Sabogal	UCSF	Tobacco-Use Prevention and Cessation	1KT-0017	New Investigator Award	1992
Tobacco Cessation Among Pregnant Low-Income Latino Women	Clyde Dent	USC	Tobacco-Use Prevention and Cessation	1RT-0086	Research Project Awards	1992

Native American population

Project name	Investigator	University	Subject Area	Grant Number	Award Type	Year
Culture and Tobacco among American Indian Adolescents	Jennifer Unger; Lourdes Baezconde-Garbanati	USC	Epidemiology	15RT-0111	Research Projects award	2006

Diabetes & tobacco exposure in So CA American Indians	Deborah Morton	UCSD	Epidemiology	14RT-0024H	Research projects award	2005
Tobacco use among American Indian adolescents in California	Jennifer Unger	USC	Epidemiology	12RT-0253H	Research projects award	2003

Lesbian, Gay, Bisexual and Transgender Population

Project name	Investigator	University	Subject Area	Grant Number	Award Type	Year
Tobacco-use by LGBTQ youth: prevalence and correlates	John Shields	Education Training and Research Associates,	Tobacco-Use Prevention and Cessation	20XT-0136	Exploratory/Developmental Award	2011
Bar Interventions to Decrease Young Adult and LGBT Smoking	Pamela Ling	UCSF	Tobacco-Use Prevention and Cessation	18XT-0150	Exploratory/Developmental Award	2009
Reaching and Treating LGBT Smokers: The Internet and NRT	Gary Humfleet	UCSF	Public Health, Public Policy, and Economics	15RT-0165	Research projects award	2006
Lesbian, gay, bisexual and transgender tobacco use	Elizabeth Gruskin	Kaiser Foundation Research Institute	Epidemiology	13RT-0084	Research projects award	2004
Smoking interventions in diverse LGBT communities/Partnerships to reduce smoking among the LGBT community	Greg Greenwood/ Brenda Crawford/ Nancy Ferreyra	UCSF/Progressive Research & Training for Action	Tobacco-Use Prevention and Cessation	11AT-2001/11AT-2000/9BT-1401	Full CARA/Pilot CARA	2002/ 2000
Determinants of smoking among gay & lesbian youth	Jay Paul	UCSF	Epidemiology	9RT-0218	Research Projects Awards	2000
Behavioral epidemiology of tobacco use among gay men	Ronald Stall; Greg Greenwood	UCSF	Epidemiology	7RT-0013	Research Projects	1998

Women/ Low Socioeconomic Status Populations

Project name	Investigator	University	Subject Area	Grant Number	Award Type	Year
Sympathoexcitatory Effect of Tobacco in	Holly Middlekauff	UCLA	Cardiovascular disease	18XT-0115	Exploratory/Developmental	2009

Premenopausal Women					Award	
Smoking Cessation in Substance Abuse Treatment Programs	Loretta Jones	Healthy African American Families II	Tobacco-Use Prevention and Cessation	17BT-1501	Pilot CARA	2008
Protecting the homeless via shelter tobacco control policies	Robert Erlenbusch , Ph.D. Grace Dyrness , Ph.D.	Los Angeles Coalition to End Hunger and Homelessness	Tobacco-Use Prevention and Cessation	17BT-1301	Pilot CARA	2008
Pathways of how socioeconomic context affects teen smoking	Ritesh Mistry	UCLA	Public Health, Public Policy, and Economics	15FT-0002	Post doctoral fellowship	2006
Soy Treatment for High risk women and DCIS patients	Anna Wu	USC	Prevention and Risk Reduction	15OB-0162	Translational research award	2006
Breast Cancer Risk Reduction: A Patient-Doctor Intervention	Celia Kaplan	UCSF	Prevention and Risk Reduction	15OB-0158	Translational research award	2006
Effectiveness of a large prenatal tobacco reduction program	Michelle Pearl	Sequoia Foundation	Epidemiology	13RT-0070	Research projects award	2005
Women and smoking: from adolescence to young adulthood	Phyllis Ellickson	RAND Corp.	Epidemiology	13RT-0019	Research projects award	2004
Tobacco exposure in pregnant women in minority populations	Martin Kharrazi	Sequoia Foundation	Epidemiology	13RT-0168	Research Projects award	2004
Effect of maternal smoking on early human development	Susan Fisher	UCSF	General Biomedical science	12RT-0059	Research Projects award	2003
Breast Cancer Education for Deaf and Hard-of-	Heidi Booth	Greater Los Angeles	Socio-cultural, Behavioral and	12BB-1001	CRC Full Research award	2003

Hearing Women		Council on Deafness, Inc.	Psychological			
Tobacco use, home policy, and life events in at-risk women	Liza Rovniak	SDSU Research Foundation	Epidemiology	12FT-0244	Post doctoral fellowship awards	2003
Anabolic therapies for muscle dysfunction in women with COPD	Richard Casaburi	LA Biomedical Research Institute at Harbor-UCLA Medical Center	Pulmonary disease	10RT-0046	Research Projects award	2001
Birth Characteristics and Breast Cancer in Young Women	Peggy Reynolds	Cancer Prevention Institute of California	Etiology	10PB-0165A	Request for Applications	2001
Innovation to prevent post-partum relapse	Jennifer Haas	UCSF	Tobacco-Use Prevention and Cessation	9IT-0192	IDEAS	2000
Smoking, gender, hormones and the brain	Eran Zaidel	UCLA	Nicotine dependence	8IT-0112	IDEAS	1999
Telephone Counseling for Pregnant Smokers	Shu-Hong Zhu	UCSD	Tobacco-Use Prevention and Cessation	8RT-0103	Research Projects Awards	1999
Media and smoking among adolescent girls across ethnicity	Dongyun Yang	USC	Public Health, Public Policy, and Economics	8DT-0175	Dissertation award	1999
Smoking, breast cancer and tobacco metabolizing genes	Jan Van Tornout	Children's Hospital, LA	Epidemiology	8RT-0111	Research Projects Awards	1999
Pregnancy complications and chemokine expression in smokers	Penelope Drake	UCSF	General Biomedical awards	8DT-0176	Dissertation awards	1999
Modeling the relation of smoking to the ovarian function	Yan Liu	UC Davis	Epidemiology	8DT-0172	Dissertation awards	1999
Passive smoking, metabolizing genes and female lung cancer	Jan Van Tornout	Children's Hospital, LA	Epidemiology	7IT-0103	IDEAS	1998
Breast Cancer Prevention: The Views of Women and	Celia Kaplan	UCSF	Socio-Cultural RFA	6PB-0053	Request for Applications	1997

Physicians						
Smoking and lifestyle risk factors for premenstrual changes	Ellen Gold	UC Davis	Epidemiology	7RT-0105	Research Projects Awards	1995
Study of Inadequate Follow-up of Mammographic Abnormalities	Marion Lee	Bay View-Hunter's Point Health Care Task Force	Innovative Models of Care	4AB-2502	CRC Pilot Award	1995
Risk Notification for Women at High Risk for Breast Cancer	Susan Stewart; Joan Bloom; Marion Lee	Cancer Prevention Institute of California	Socio-cultural, Behavioral and Psychological	4EB-5800	TRC full research award	1995
Increasing Breast Health Access for Women With Disabilities	Mary Smith; Carol D'Onofrio; Ann Cupolo Freeman	Alta Bates Summit Medical Foundation	Earlier Detection	4BB-2400	Full Research Award CRC	1995
Breast Cancer Knowledge/Attitudes: So. Cal. Pacific Islanders	Sora Tanjasiri	UC Irvine	Earlier Detection	3FB-0166	Earlier Detection	1994
Hormones and Tobacco: Joint Effects on Reproduction	Shanna Swan	Public Health Institute	Epidemiology	3RT-0093	Research Project Awards	1994
Xenoestrogens and Breast Cancer in African American Women	Peggy Reynolds	Public Health Institute	Etiology	2RB-0054	Research Project Awards	1993
Smoking & Adverse Reproductive Health Effects in Women	Ellen Gold	UC David	Epidemiology	1RT-0480	Research Project Awards	1992
Effect of Tobacco in Cervical Neoplasia in Young Women	Anna-Barbara Moscicki	UCSF	Epidemiology	1RT-0487	Research Project Awards	1992
Smoking-Related Risks for Small Cell Lung Cancer in Women	Kathryn Osann	UC, Irvine	Epidemiology	1KT-0034	New Investigator award	1992

Nicotine Levels in Pregnant Women & Child Development	Brenda Eskenazi	UC Berkeley	Epidemiology	1RT-0465	Research Projects Awards	1992
Smoking Intervention for Women Seen in Primary Care Practice	Mary Croughan-Minihane	UCSF	Tobacco-Use Prevention and Cessation	1KT-0047	New Investigator Award	1992
Pregnant Smokers: Predictors of Cessation & Relapse	Nancy Adler	UCSF	Tobacco-Use Prevention and Cessation	1RT-0560	Research Project Awards	1992
Tobacco Cessation Among Pregnant Low-Income Latino Women	Clyde Dent	USC	Tobacco-Use Prevention and Cessation	1RT-0086	Research Project Awards	1992

TRDRP Grants that Mention Diverse Racial/Ethnic Groups/Neighborhoods

Project name	Investigator	University	Subject Area	Grant Number	Award Type	Year
Cost of Smoking/Cost of Smoking II	Stanton Glantz/John Pierce	UCSF/UCSD	Public Health, Public Policy, and Economics	19ST-0180/1 8ST-0201/1 8ST-0202	Special Projects	2010/ 2009
Menthol Cigarette Smokers:nAChR Levels and Treatment Effects	Arthur Brody , M.D.	Brentwood Biomedical Research Institute	Nicotine Dependence	19XT-0135	Exploratory/Developmental Award	2010
Modeling and mapping changes in tobacco outlet density	Lisa Henriksen	Stanford University	Public Health, Public Policy, and Economics	18XT-0101	Exploratory/Developmental Award	2009
California's Tobacco Control Program and Tobacco-Use Trends	Karen Messer	UCSD	Public Health, Public Policy, and Economics	18CA-0134	California Research award	2009
Economic Impact of Secondhand Smoke for Communities of Color	Wendy Max	UCSF	Public Health, Public Policy, and Economics	16RT-0075	Research Project Awards	2008
Race & Ethnicity in Stage-specific Breast Cancer Survival	Anna Wu	USC	Disparities	15QB-8201	SRI Request for Qualifications-RFQ	2006

Use of Existing Data to Develop Tobacco Control Strategies	Karren Messer	UCSD	Public Health, Public Policy, and Economics	15RT-0238	Research Project Awards	2006
Ethnicity and school-level effect on CA student tobacco use	William McCarthy	UCLA	Epidemiology	13RT-0051H	Research Projects Awards	2004
Ethnic and gender variation in nicotine detoxification	Huijun Ring	SRI International	Epidemiology	12KT-0234	New Investigator award	2003
Influences that promote ethnic disparities in smoking	Dennis Trinidad	UCSD	Public Health, Public Policy, and Economics	12KT-0158	New Investigator award	2003
Emotional intelligence and smoking across ethnicity	Dennis Trinidad	USC	Epidemiology	9DT-0174	Dissemination awards	2000
Explaining racial differences in smoking	Hope Landrine	Public Health Foundation Enterprise, Inc.	Public Health, Public Policy, and Economics	8RT-0013	Research Projects Awards	1999
Ethnic difference in cigarette smoking dynamics among youth	Xinguang Chen	USC	Epidemiology	8RT-0034	Research Projects Awards	1999
Nicotine pharmacogenetics: influence of ethnicity	Russell Poland	Cedars-Sinai Medical Center	Nicotine Dependence	6RT-0069A	Research Projects Awards	1997
A Methodological Multi-Ethnic Study of Smoking Initiation	Celia Kaplan	UCLA	Tobacco-Use Prevention and Cessation	4RT-0257	Research Project Awards	1995
Ethnicity and the Meaning of Smoking in Older Age Groups	Judith Barker	UCSF	Public Health, Public Policy, and Economics	2RT-0246	Research Project Awards	1993
Comparison of Nicotine Metabolism in four Ethnic Groups	Eliseo Perez-Stable	UCSF	Public Health, Public Policy, and Economics	1RT-0521	Research Project Awards	1992
