

What We Do

The ASPIRE Network aims to build and connect AANHPI stakeholders to design and implement tobacco and cancer control activities. Some of our work includes:

- Providing capacity-building training and technical assistance to entities who work or want to work with AANHPI populations
- Facilitating opportunities for AANHPI communities to engage in policy, systems and environmental change activities
- Expanding and leveraging media and communications opportunities to create awareness about AANHPI tobacco and cancer issues.

ASian American, Native Hawaiian and Pacific Islander Network to Reach Equity in Tobacco Control and Cancer

Who We Are

The ASPIRE Network is a national Asian American, Native Hawaiian, and Pacific Islander (AANHPI) network that aims to build community capacity and facilitate the development of tobacco and cancer policy initiatives among the diverse AANHPI communities. It is implemented by the Asian Pacific Partners for Empowerment, Advocacy, and Leadership (APPEAL) and is funded through CDC's Office on Smoking and Health and the Division of Cancer Prevention.

ASIAN HEALTH SERVICES (OAKLAND , CA)

Asian Health Services, founded in 1974, provides health, social, and advocacy services for all regardless of income, insurance status, immigration status, language, or culture. Our approach to wellbeing focuses on “whole patient health,” which is why we provide more than primary care services, including mental health, case management, nutrition, and dental care to more than 50,000 patients in English and over 14 Asian languages: Cantonese, Vietnamese, Mandarin, Khmer, Korean, Tagalog, Mien, Lao, Mongolian, Karen, Karenni, Arabic, ASL, and Burmese.

CENTER FOR PAN ASIAN COMMUNITY SERVICES (ATLANTA, GA)

Center for Pan Asian Community Services (CPACS) is a nonprofit organization located in Atlanta, Georgia. Our mission is to promote self-sufficiency and equity for immigrants, refugees, and the underprivileged through comprehensive health and social services, capacity building, and advocacy. Founded on the belief that “people need people,” CPACS is the first, largest and oldest organization in the Southeast to focus on issues and concerns of Asian Americans, especially women, children and families with low incomes.

COALITION FOR A BETTER CHINESE AMERICAN COMMUNITY (CHICAGO, IL)

The Coalition for a Better Chinese American Community unites the resources of member organizations and individual members to empower Chinese American communities in Greater Chicago. As a coalition of member organizations and individuals, CBCAC carries out its mission through civic education, issue advocacy, communication with policy makers, and community mobilization.

HUI MĀLAMA OLA NĀ 'ŌIWI (HILO, HI)

Hui Mālama Ola Nā 'Ōiwi, the Native Hawaiian Health Care System of HI island. Our mission at HMONO remains to care for the health of our HI island community. We will continue to offer education and support using our current programs along with continued collaboration with agencies in keeping HI healthy.

LAS VEGAS HAWAIIAN CIVIC CLUB (LAS VEGAS, NV)

The Las Vegas Hawaiian Civic Club's (LVHCC) mission is to practice and perpetuate the traditions, beliefs, language and arts of the indigenous people of Hawai'i. In addition, LVHCC focuses on bringing health awareness to our events, that focuses on Hawaiians and Pacific Islanders' various struggle with health issues.

LIGHT AND SALT ASSOCIATION (HOUSTON, TX)

Light and Salt Association is a 501(c)(3) non-profit, charitable organization, comprised of a non-denominational alliance that seeks to serve God by serving and caring for the needy and vulnerable persons in our greater Houston communities without discrimination. The mission of the Light and Salt Association is to provide care and services with compassion and knowledge to the needy and vulnerable, to promote healthy living, and to foster a sense of community responsibilities.

NATIONAL TONGAN AMERICAN SOCIETY (SALT LAKE CITY, UT)

The National Tongan American Society (NTAS) opened its doors in 1994 to assist and help Pacific Islanders obtain US citizenship. In addition to its growing citizenship and civic engagement work, NTAS implements health programs including free health classes to address the growing obesity and diabetes rates of Pacific Islanders. NTAS works in areas of mental wellness, physical activity and food banks. NTAS also promotes education and cultural preservation with annual scholarship awards and cultural programs among others.
