THE BEGINNINGS

Presentation Outline

Presentations are communication tools that can be used as lectures and more. It is mostly presented before an audience.

It serves a variety of purposes, making presentations powerful tools for convincing and teaching.

Keep In Mind:

Pandemic is not a word to use lightly or carelessly. It is a word that, if misused, can cause unreasonable fear, or unjustified acceptance that the fight is over, leading to unnecessary suffering and death.

Dr. Tedros Adhanom, WHO Director General
